FEATURED ARTIST APPLICATION 20__

An applicant must be a member of the Cambria Center for the Arts. Applicants must adhere to the guidelines for exhibiting artists as stated in the CCA General Prospectus which can be downloaded from our website at www.artistsofcambria.com. If you are selected as a featured artist, at least 75% of your work must be for sale and must be properly framed for display. An itemized list of each artwork with titles, media, and price must be submitted to the CCA Gallery Director before the exhibition opens. Once selected as a featured artist, you may not apply again for 3 years.

To aid us in the selection process, please include photographs of your work with this application. The CCA Gallery Committee determines the selection of a featured artist after careful review and consideration of each applicant's work.
